### Clinical and Medical Education & Training Funding Call 2023

Children's Health Foundation is delighted to announce the 2023 launch of our Clinical and Medical Education & Training funding call to support CHI staff.

This process is open to staff who wish to pursue Academic Study and Professional Training that will bring a benefit and impact within one of the following key pillars.

1. New and Emerging Services/Development Initiatives
2. Patient, Family & Staff Impact Initiatives

This process has been developed by Children's Health Foundation to provide a robust and transparent way to allocate funding in a fair and consistent manner – while ensuring alignment with the needs of CHI and patients.

#### **CHF Education and Training Funding Priorities and Parameters**

Priority will be given to training that has a direct impact on the services and care provided to patients and their families. Following a review of the applications received at our last Education and Training Funding Call the following priorities and parameters will apply for 2023

Priority will be given to:

- Patient-focused team members – CHI staff members who have direct regular contact with patients as part of their role
- Training that will have a direct impact on child and patient health
- Applicants not in receipt of additional Education / Training funding
- Applicants who are not currently enrolled on an Education or Training course
- Permanent Staff members with a minimum of 1 years' service

Factors to be taken into consideration when applying for funding:

- One application for training per person
- Training must be beneficial to the applicant's work and departmental needs
- We are unable to approve group applications at this point, please complete one application per person.

CHF will fund 50% of the total course fee of successful applicants up to a maximum of €5,000. Please include the total course fee on the application.

Successful applications with requests of €1,000 or less will be fully funded.

Documentation for all costs must be submitted with the application form.

Travel expenses must be in line with the CHI Travel & Expense Policy, and per the CHI Education & Study Support Policy.
